Florida's Powerhouse Port™

Smooth Sailing for Cruise

▪ 3.82 Million Passenger ▪ $55.3 Million in Revenue

Petroleum Fuels South Florida

PORT EVERGLADES
BROWARD COUNTY, FLORIDA
Florida's Powerhouse Port™

- 121 Million Barrels
- $34.8 Million in Revenue
- Supply Petroleum to 12 Florida Counties & 4 International Airports

Economic
Powerhouse
FY2017

- $30.4 billion in business activity

- $1.1 billion in state & local taxes

- 13,185 direct jobs

- 230,747 Florida jobs supported, earning $9 billion in wages

PORT EVERGLADES
BROWARD COUNTY, FLORIDA
Florida's Powerhouse Port™

Security Considerations

- 2,190 acres in the Port Jurisdictional Area – Easy access & high visibility due to location adjacent to major urban areas

- Intracoastal Waterway – Open to 42,671 recreational boaters registered in Broward County plus transient boaters

- Multiple vehicle access points – Curtail cut-through traffic

- Rail access points

- International Airport – Proximity creates vulnerability

A Port in the Storm:
Hurricane **Irma**

Pre-Storm
Activate Emergency Operations Center

Pre-Storm Preparations

- Clearing Debris
- Equipment Stowing
- Container De-Stacking

Pre-Storm & Post-Storm

Petroleum is a Priority

- Provide gas and jet fuel to 12 counties and 4 international airports

- Perceived fuel shortage

- High demand from panicked consumers

Post-Storm Damage Assessment
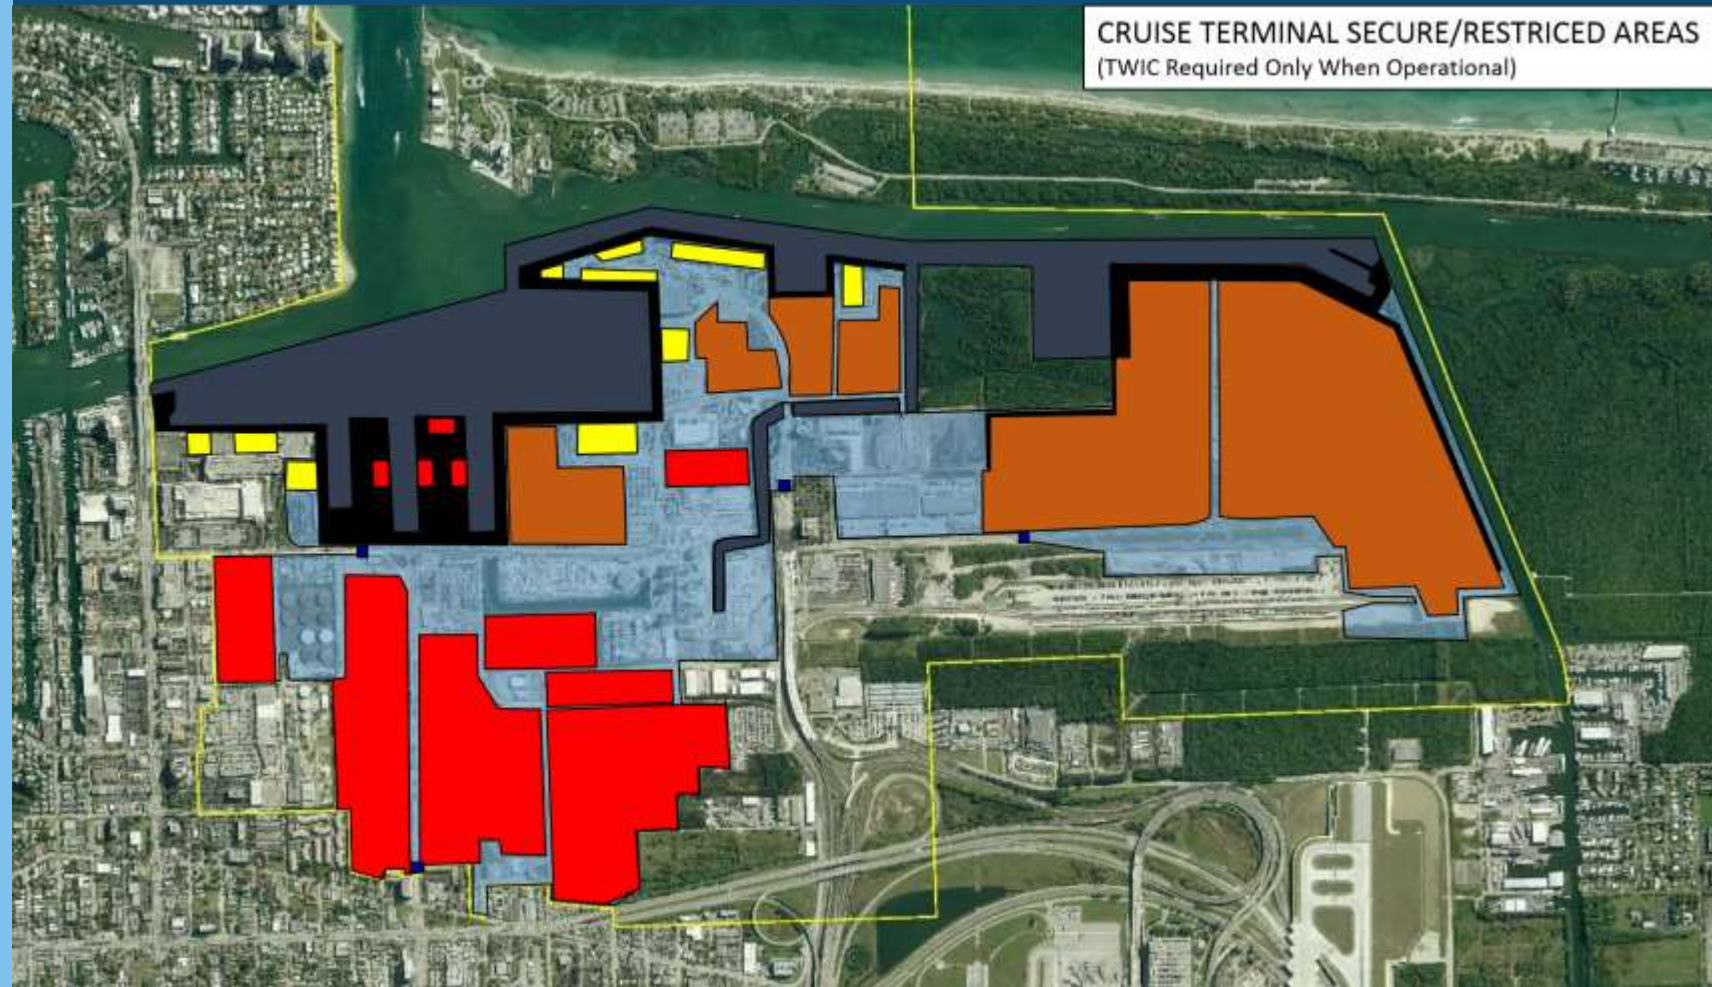

- Restore Power

Post-Storm Damage Assessment

- Access control
- Perimeter security
- Security system status
- Staffing

Layered Physical Security

Secure/Restricted Areas

- Cruise
- Cargo
- Petroleum

CRUISE TERMINAL SECURE/RESTRICED AREAS
(TWIC Required Only When Operational)

PORT EVERGLADES
BROWARD COUNTY, FLORIDA
Florida's Powerhouse Port

Resume CBP Operations

Radiation Portal Monitors

- Checkpoint 1

- Checkpoint 4

- ICTF International Gate

Post-Storm
Waterside Operations Resume
