

FEATURING:

Webinar on Comprehensive Risk Management and Port Resilience in the Face of Natural Disasters

Date: Thursday, March 26, 2026

Time: 12:00 PM – 13:30 PM Washington D.C.

This webinar, organized by the Secretariat of the Inter-American Committee on Ports (CIP) of the Organization of American States (OAS), will explore comprehensive risk management and port resilience strategies in the face of increasingly severe natural disasters. Bringing together perspectives from the United States Coast Guard (USCG), Tropical Shipping, as well as the CIP Secretariat, the webinar will examine how ports can better anticipate, prepare for, respond to, and recover from extreme weather events. Speakers will discuss real-world operational challenges, regional coordination, and practical solutions for strengthening port infrastructure and continuity. The webinar will highlight actionable lessons and the importance of collaboration in building resilient ports and supply chains.
