Boosting Efficiency Through Secure Operations

3rd Hemispheric Conference on Port Security:
Boosting Efficiency Through Secure Operations

Miami, Florida

September 18 – 2, 2019

Boosting Efficiency Through Secure Operations

- Security as an Investment vs. a Cost
 - Short Term Costs for Long Term Benefits
- Utilizing Risk to Make Intelligent Security Decisions
 - Consider 2nd and 3rd Order Consequences
- Safety and Security – Two Sides of the Same Coin
 - Dual Benefits
- Importance of a Security Culture
 - Buy in at all levels.....Incentivize Security
 - Constant Reinforcement
