

## Facing the Future: Port Challenges and Trends in Latin America & the Caribbean

**Date:** Thursday, February 11, 2021

**Time:** 11:00 AM EST (10:00 AM CST, 1:00 PM BRT, 5:00PM CET)

This Webinar, organized by the Secretariat of the Inter-American Committee on Ports (S/CIP) of the Organization of American States (OAS) and the International Association of Ports and Harbors (IAPH), will bring together key stakeholders of the Latin American port sector to discuss, strategic themes such as Data Collaboration, Risk and Resilience and Climate and Energy. Through case-study presentations, high-level decision makers will present successful practices and offer an integrated approach to formulating strategic actions for a holistic port development.
