

3rd Hemispheric Seminar on Port-City Relation, Social Responsibility and Gender Equality: *Strengthening the Sustainable Integration of the Port Sector*

Lima, Peru

November 10th and 11, 2022

In recent years, the implementation of social responsibility initiatives and the proper integration of a gender perspective in maritime and port operations have contributed to improving the quality of life, particularly in emerging economies as they boost competitiveness. The promotion of an efficient, inclusive, sustainable and responsible maritime-port sector contributes to the socioeconomic development of nations.
