FEATURING:

BARBADOS PORT INC.

Webinar on Port Community System Implementation: Part I

Date: Thursday, July 13, 2022

Time: 11:00 AM EDT

The Webinar, organized by the Secretariat of the Inter-American Committee on Ports (CIP) of the Organization of American States (OAS), in collaboration with the International Port Community Systems Association (IPCSA) will address how to implement a Port Community System in a country including key actions, preparation of a tender and regulatory framework. Representatives from Barbados Port Inc. (BPI) will share insights from the successful implementation of their PCS project, as well as the compatibility of a PCS with a Maritime Single Window.

Agenda
