**FEATURING:**

**Webinar on Port Community System Implementation: Part II**

**Date:** Thursday, August 31, 2022

**Time:** 11:00 AM EDT

The Webinar, organized by the Secretariat of the Inter-American Committee on Ports (CIP) of the Organization of American States (OAS), in collaboration with the International Port Community Systems Association (IPCSA) will address how to implement a Port Community System in a country including cybersecurity fundamentals and measures to prevent and manage cyber risks. In addition, IPCSA will share a regional approach for data sharing through its Network of Trusted Networks and its benefits for port authorities. Representatives from the Port of St. Maarten will share successful practices on the implementation and management of their PCS.

**Agenda**

- 11:00 – 11:10** **Opening Remarks**  
**Jorge Durán**, Chief of the Secretariat, OAS – CIP
